

## **Internships in Civil Core Companies at IIT Delhi (Last Year)**

### **Companies That Visited:**

1. **Godrej Properties Pvt. Ltd.**
  2. **JSW**
  3. **JKG Infratech Pvt. Ltd.**
- 

### **1. Godrej Properties Pvt. Ltd.**

#### **Selection Process: 4 Rounds**

##### **a) MCQ Round (25 mins):**

- Topics: Construction Management, Surveying, basic core subjects
- Difficulty: Moderate — basics from class should suffice

##### **b) Mental Ability Test (1 hour):**

- Aptitude-style test
- Focus: Logical reasoning, analytical thinking

##### **c) Case Study Submission:**

- Format: PPT with a solution to a construction-related case
- Tip: Use internet resources, consult seniors or profs. A well-structured, logical submission clears the round — doesn't have to be perfect.

##### **d) Video Submission on Unstop:**

- 5 Questions in 15 minutes
- Topics: Past projects + basic HR questions
- Tip: Stay calm, communicate clearly, don't fumble

#### **Tips for Godrej:**

- **Master your basics in construction and surveying**
  - **Case study structure matters more than brilliance**
  - **Good communication > flashy answers**
- 

### **2. JSW**

#### **Selection Process: 3 Rounds**

**a) Aptitude Test (Round 1):**

- General aptitude — Quant, Logical Reasoning
- Requires: Speed + accuracy
- **Time feels tight** but questions are doable with practice

**b) Advanced Aptitude (Round 2):**

- Similar content but more in-depth and time-pressured

**c) Interview (Round 3):**

- Mostly **HR-style** with **some core** questions
- Focus on honesty, confidence, and calm communication

**Tips for JSW:**

- **Strong aptitude preparation** is a must (especially timed practice)
  - **Don't bluff — be honest and self-aware**
  - **Good communication is a strong filter**
- 

**3. JKG Infratech Pvt. Ltd.**

**Selection Process: 1 Interview Round (Post CV Shortlist)**

- **Technical Questions:** Transportation Engineering + Construction Management
- **Some HR Questions**
- Duration: Moderate (~30-45 minutes)

**Tips for JKG:**

- **Know your Transport and CM well**
  - **Basic project exposure helps**
  - **HR questions test attitude, not depth**
- 

 **Key Takeaways for Core Internships (Civil):**

1. **Construction Management is your cornerstone**
  - It appears in tests and interviews for nearly every company
2. **Aptitude Practice is Essential**
  - Especially for JSW, but useful for others too
  - Use platforms like PreInsta, AMCAT, or Unstop for mocks
3. **Communication is a Deciding Factor**

- Be calm, clear, and confident in interviews
- Avoid bluffing, admit what you don't know

#### **4. Case Studies & Project Submissions**

- Especially relevant for Godrej — structure, logic, and effort matter

#### **5. Past Projects**

- Be ready to explain what you've worked on (even minor ones) with clarity and relevance

#### **6. PoRs (Positions of Responsibility) Add Weight**

- Companies appreciate candidates with solid **leadership roles, organizational experience, or teamwork exposure**
- Keep 1–2 strong PoRs ready to talk about — it **boosts selection chances**, especially in interviews
